

WE'RE BACK!

**THE ISLAND
FISHKEEPERS
PRESENT**

**GROCKLEMANIA
2010**

**HELD AGAIN THIS YEAR AT
WHITECLIFF BAY HOLIDAY PARK
BEMBRIDGE, ISLE OF WIGHT**

**FRIDAY 18th TO MONDAY 21st JUNE 2010
(THREE NIGHTS)**

Due to the new owners' investment in Whitecliff Bay Holiday Park, you will see many improvements to the site. All the old wooden chalets have been demolished and replaced with modern static caravans. To simplify the booking form we are offering two options of caravan, the COMFORT and the SUPERIOR. Both types have made up beds, cooker, fridge, pots, pans, cutlery and crockery. The superior range has heating throughout and multi-channel digital TV. *You will need to bring towels, tea towels, toiletries, washing up utensils and loo roll with you.*

Unfortunately, due to all the old single berth chalets being demolished, if you are travelling alone the full cost of the accommodation type will apply. Try to bring a friend to share the caravan and the cost. All the caravans on offer have a minimum of two separate bedrooms. If you share a 6 berth unit (3 bedrooms), the cost is a measly £66.00 per person including the car ferry.

Included in the cost is the barbecue on Saturday late afternoon. However, due to the holiday park's health and safety rules, they will be running the barbecue, not us. The Island Fishkeepers' Open Show will be held on the Sunday but in a different area - the main Culver Club ballroom. The good news here is that there are no stairs involved.

The holiday park entertainment this year is a "Sounds of the Seventies" Star Break. *Stayin' Alive*, one of the UK's best live vocal tribute bands, are headlining.
